

## Back to School time is here and we need your help!

Dear Friend,

It's because of support from people like you, we at Arms of Hope were able to witness huge educational accomplishments among our residents during the 2017-2018 school year. We are happy to report the following Arms of Hope statistics from the past school year:

- 85% of our kids' grades improved after arriving at Arms of Hope**
- 28% of our kids became A/B Honor Roll students**
- 87% of our kids participated in extra-curricular activities (many for the first time)**
- 5 High School Graduates**
- 24 GEDs/Educational Certifications**
- 64 Residents Enrolled in College**
- 962 Completed College Hours**
- 1 Associate Degree**
- 7 Bachelor Degrees**
- 1 Law Degree**

*The 2017-2018 school year was a great year, yet we have even greater hopes for an outstanding 2018-2019 school year!*

Isn't this great news? I know you are just as proud of our residents as I am, and I'm so pleased to see the wonderful accomplishments they are making when so many came to us homeless, abused, neglected, hungry and hopeless. You are providing these children and single-mothers with hope and by receiving an education, they are becoming successful members of society.

Please consider learning about how you can help our Arms of Hope children and single-mothers with their educational needs by reviewing the reverse side of this letter. When you give to Arms of Hope today, you are investing in the lives of many who are learning that an education is essential to a successful life.

Sincerely,

  
Troy Robertson  
President & CEO
